[The SPC's newsletter is] a great way to catch up on social indicators & research, including some great articles reprinted from The Record. — Kae Elgie, Region of Waterloo Library

My thanks to [the SPC] for a frank and hard-hitting [trends report].— Cambridge Councillor Ben Tucci

WHAT ARE OTHERS SAYING ABOUT US?

The SPC has been one of our most valuable partners in the planning and implementation of 'The Bridges'. Their research was extremely important and produced the facts necessary for us to write informed funding proposals in pursuit of our goal.

—Cambridge Shelter Corporation

We use their research for future planning and marketing. On a number of occasions, we have partnered with the SPC because of their unique skills set.
